PROFESSIONAL SUMMARY

I'm a social-media-first video editor who's been creating Instagram Reels and ad content for clients, plus YouTube videos and other independent projects. I focus on making videos that perform—strong hooks, clean pacing, and edits that fit the platform—using Premiere Pro, DaVinci Resolve, and After Effects. I'm looking for a role where I can keep improving my editing and help a brand grow through consistent, high-quality content.

SKILLS

- **Video Editing & Post-Production:** Adobe Premiere Pro, DaVinci Resolve for short-form & long-form delivery for YouTube, Reels, Shorts
- **Visual Effects & Compositing:** After Effects, Nuke, Blender and Unreal Engine for tracking, roto, cleanup, CG integration
- **Motion Graphics:** After Effects for titles, lower-thirds, transitions
- **Graphic Design:** Photoshop, Canva, Adobe Express, Illustrator for thumbnails, posters, social creatives
- **Camera Proficiency:** Manual exposure, focus, framing, lighting setups, LOG shooting, gimbal + tripod operation, multi-camera interview setup.
- **Audio Post:** DaVinci Fairlight, Adobe Audition for dialogue cleanup, noise reduction, podcast and film editing
- **Social Media & Digital Marketing:**
 - Content planning and scheduling for YouTube, Instagram, TikTok
 - SEO basics for video and websites
 - YouTube Studio analytics and performance optimization
 - Meta Ads for Facebook and Instagram basic campaign setup and creative optimization
 - Google Ads campaign with search display creatives, targeting awareness
- **AI generation & Automation for Media:**
 - GPT-assisted scripting, captions, hooks, and ideas
 - Prompt engineer for Image generation and video generation
 - AI captioning tools
 - workflow automation with n8n
